About us:

Pine Lane Nursery is a family owned & operated. We are a retail/wholesale garden center located in the heart of Parker, Colorado. Pine Lane spans over 9 acres, filled with a wide variety of plant materials including fast growing trees, shrubs, grasses, perennials, annuals, vegetables, herbs and more! The nursery is famous for growing unique and colorful annual hanging baskets every spring- ready just in time for Mother's Day.

Plants are sourced locally or grown on site whenever possible. All plant material is selected based on hardiness and proven success in Colorado. In addition to plant materials, the nursery also offers delivery and planting services throughout Douglas County and the surrounding areas,

Pine Lane Nursery also offers a wide variety of outdoor and garden décor including furniture, pottery, fountains & more.

At Pine Lane Nursery we place an emphasis on personal, knowledgeable service. Our staff is experienced in gardening and growing specific to the arid Colorado climate. Pine Lane staff includes horticulturists, Colorado Certified Nursery Growers and Certified Greenhouse Growers. Staff are available to assist both retail and wholesale customers with plant selection, container gardening, plant care and landscape design. Pine Lane's expertise, customer service and years of experience provides for an exceptional garden center experience.
